PROPERTY DESCRIPTION

This home has all the upgrades. This truly is a must see! The seller is a perfectionist. No detail has been missed. 20" porcelain tiles floors throughout the common area. Granite counter tops in kitchen with cherry wood finished cabinets. Stainless steel finishing on KitchenAid gas stove, convection microwave oven and dishwasher. While standing at the stainless steel sink with high end faucet you overlook the entryway garden like setting. Top off the kitchen with a stainless steel warming oven and wine refrigerator.

Master bedroom has a fabulous view of the water-fall in the patio area. Master bath has a stylestone counter top and upgraded fixtures. Master bedroom is finished off with a very large walk in closet. The friendly neighbors have reported there are no other condo's in this complex that have walk in closets.

The 2nd bedroom has double louvered doors right off the entry way or a standard door to the hall. Window coverings are white vinyl shutters.

The laundry area has been specifically designed for front loading washer and dryers. Above the machines is a shelf that pulls out for folding laundry. The laundry also has a built in ironing board with power outlet..

Not to be outdone the garage is finished with Asher garage cabinets and Asher polyurethane floor.

This home has a Beam built in vacuum system.
